## beef »

all our steaks are quality **grain fed beef** from tableland butchers and are flame grilled to your liking. Please be aware that well done steaks do take time! Rib filets are 400g, rump steaks 450g

for our dinner menu we only use **wild caught barramundi** from the gulf of Carpentaria. This ensures a consistent, **quality** product and great eating. Due to supply issues in the off season we use Spanish Mackerel for our lunch and kids fish but you can still be assured great quality and taste.
